Principal's Report:

-enrollment isn't typical right now – grade 6 is at 80, 50 kindergarten students projected (down about 20 students)

-watching the numbers re next year staffing

-some families seemed to have disappeared thru covid, not registered anywhere, but expect that some will return in the fall

-currently in the midst of thinking about budget – SK budget comes out at Easter

-Our School Survey (questions around friendships, extra curriculars etc)– gr. 4-6 students participate and it's anticipated that the data will look quite different with respect to the effects of Covid

-Educational Programming Fund- talked about at staff meeting – the parameters were loosened this year due to Covid

-the spelling bee – top 2 per class (RP school wide bee with gr. 4-6 and then they will face off against Barr Colony and CP)

-restrictions are being loosened slightly – band programs and some extra curriculars at the middle and high school level, Hockey Academy back in a limited way – at RP classroom based cohorts for some extra curr will begin, but no mixing of classes as of yet

Fundraising

-Possibility of Panago pizza – a successful event was run at QE over two nights for families – 15% off for families with 15% of total sales going to the school (more open ended than the one we did thru Dominos) – possibly in June? Instead of family BBQ?

-Mabel's Labels – ongoing – discount codes will be attached to school supply list

-chips fundraiser – Heidi will look into it and get back to us

Hot Lunch

-nothing to report, still on hold

Financial Report

-same as last month (\$3300 set aside for Ed. Prog. Fund- \$1177, plus the \$1000 from Dominos fundraiser coming)

Educational Programming Fund:

-funds were motioned and seconded for Mrs. Musyj (100th day activity), Ms. Brummund (literacy supplies), Mrs. Berg (pizza party picnic), Mrs. Halliday (field trip or pizza party), and Mrs. Mabbott (plants)
