Current and Future Goals:

What we'd like to do, and how we're going to do it

From June's meeting:

- Growing our volunteer base
- Increasing meeting attendance
- Example: could we host an informal coffee talk type thing for different topics to help build rapport with the parent community. Grade specific meet and greet for parents/families in Sept to meet other parents/families? Colleen spoke to the RCMP about doing a parent meeting on Internet safety Etc. They are 100% on board and it's no charge to us.

Talked about introducing the option of a Google Meet to draw more people in?

Discussed having an evening meeting every few months
